

\_\_\_\_\_ I understand I am not being placed on the ACTIVE WAIT LIST at this time because I do not have all the required documents listed below. I understand that I have 30 days to apply from the date I signed into the installation to receive an adjusted eligibility date, otherwise my eligibility date will be the date of application. I understand that I will not be granted credit for hardship tours or deployments if I have not followed the above criteria. I understand that to be offered housing on post I must be signed into my gaining unit.
